EXPERIENCE

o9 Solutions Inc., Bengaluru— *Education Architect*

AUGUST 2022- PRESENT

Skills used: Python, SQL, Data Analysis, Data Science.

WhiteHat Jr, Mumbai— *Computer Programming Teacher*

APRIL 2020 - AUGUST 2022

Teacher & mentor. Taught & implemented projects using JSX, Python, HTML & CSS. Handled 70+ clients (from multiple countries – including USA, Canada, UK & Australia). As a mentor, I trained teachers on the platform and generated insights & reports based on their performance. Further, I worked on figuring out the problem areas for my colleagues by analyzing the recorded data & deploying solutions based on the factors involved, using Spreadsheets & Tableau.

Nirja's Beauty n' Style, Delhi— *Digital Marketing Manager*

JUNE 2018 - APRIL 2020

Developed & implemented marketing campaigns that promote the services of the company. Worked on email marketing, social media marketing & search advertising using web analytics tools. Optimized content for social networking channels such as Facebook, Instagram & Google. Worked on developing a website for the company.

Northern Railway, Delhi— *S&T Engineer Intern*

MAY 2017 - JULY 2017

Worked on signaling & communication techniques over the local area network & telecommunication devices
